YOUR PRAYERS AND GIVING CROSSED MANY BORDERS IN 2018

2018 began with a prayer journey through ancient temples in Egypt.

Dan greeting the Village Chief in Kashmir

The sheep project is growing and the village is very hopeful for the future.

Praying for the Pastor of the Moravian Church in Leh – a church no longer divided

A highlight is always praying over people during home visits throughout the journey

WE CAN'T THANK YOU ENOUGH

Our hearts are filled with gratitude to the Lord and you, for praying for the teams and this ministry this past year. We are thankful beyond words for those who sacrificed their time and resources to “go” as a team member, for those who helped “send” us and our Indian team members by giving (and helped support all the projects on the field), and for all the intercessors who prayed for us on these trips. **How can we stop now?**

LET'S DO IT AGAIN IN 2019!

God is on the move in North India, and we'd love for you to be a part of His plans for this incredible harvest field this coming year.

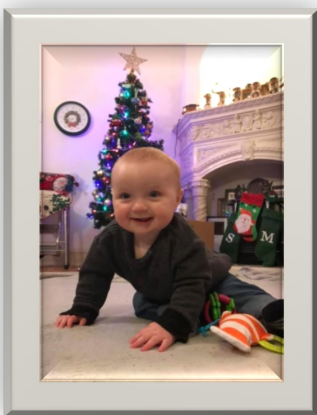

- If you feel led to “go,” we will have spring, summer and fall trips again this year with prayer always being our primary focus, hitting various regions of North India and beyond. Come, be “boots on the ground” with us!
- If you feel led to “give” to send a team member, provide scholarships for our India team members, help towards one of the field projects (current needs are transportation for pastors and assistance in building prayer halls), or provide general support, your gift would have far reaching results!
- If you feel led to “pray” and be one of our intercessors, we would be forever grateful...nothing in this ministry happens without prayer! Please contact us to be part of our Intercessory Prayer Team.

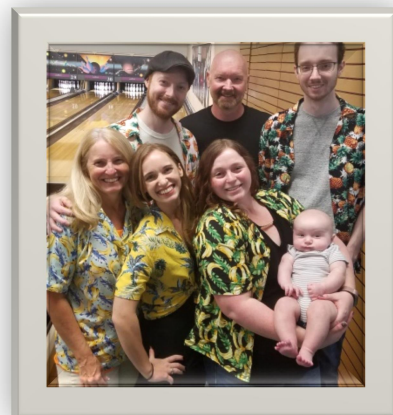

From our Family to Yours...

We want to wish you a very blessed Christmas Season. May the significance and wonder of our Savior's birth bring incredible joy to your hearts and peace to every circumstance in your life.

May the presence of the Lord fill you to overflowing and His blessings overwhelm you this year, Dan & Jan

Our family has grown as God sent us a very precious baby this past year – Jameson, our first grandchild, was born in April to our oldest son, Josh, and his wonderful wife, Samantha. We are excited to have our whole family together again shortly for a late Christmas celebration. Our Cambodia shirt picture is from last summer when we all met up in Chicago.
