STARTING THE YEAR OFF RIGHT

As many of you know, I have the great joy working with BridgeBuilders International Leadership Network while I have been home in AZ. This past January they hosted a major conference in Tucson called *Start The Year Off Right*. This is a conference they have hosted for many years, although last year it was cancelled due to covid. We were able to partner with Zion City Church who did an amazing job hosting the conference.

Nearly 1600 people filled the auditorium for 3 days of meetings. The theme of the conference was *"Hearing God in Chaotic Times."* Dutch Sheets, Cindy Jacobs, Lance Walnau, Chuck Pierce and Will Ford were the primary speakers. Each one ministered under a heavy anointing. The people who attended were so full of faith and anticipation. When we worshipped it was like heaven was touching earth. This was a very significant event for the state of Arizona as we believe it moved us one step closer to seeing the Great Awakening we have been crying out for.

I had the honor of leading the prayer team in preparation for and during the conference. It was such a joy to partner with the intercessors from Zion City Church and build new relationships with some wonderful people. Thank you BridgeBuilders for creating the platform for such an historic spiritual event to take place in Arizona!

YUMA PRAYER JOURNEY

Recently, I felt like God was laying Yuma on my heart. It is a strategic border city in the southwest corner of Arizona. The problem was I had no contacts there to connect with. I decided to call the team together and plan the trip, trusting God would connect us with key individuals along the way. The next night I saw 2 national news reports about the immigration crisis and how it was affecting Yuma. To me that was a confirmation to go. One day later God led me to meet a woman here in Phoenix that is from Yuma. Her father in law is on the city council of Yuma, her mother is part of an intercessory prayer group there and she was able to put us in contact with a great church there. It is amazing what God will do if we are willing to step out in faith and just go!

So, in February a team of eight went there to pray for two days. We had the most wonderful time praying at the border wall in a small town called San Luis and connecting with the local believers. Relationships are being forged so that we can continue to go there and pray until we see spiritual breakthrough with souls being saved, the churches growing and the border being fully secured.

Please continue to pray for us as we lead teams throughout the state of Arizona contending for the next Great Awakening. Our next prayer journey is the last weekend of March, and another planned for mid-May.

ISOM INDIA CONTINUES TO THRIVE

“I come from a low level caste” said Ashish. “My people are the ones who sweep the streets, remove garbage and clean the toilets. Now, because of Jesus, I am leading ISOM (International School of Ministry) all over North India and people look at me with honor and great respect. I am so grateful to God that He has chosen what was considered worthless and is making me valuable for His Kingdom.”

Tears filled my eyes as we spoke over a zoom call. I have traveled thousands of miles with Ashish and have helped mentor him for almost 10 years. I love him deeply and am so proud of how he has developed into a very powerful man of God who walks in humility and authority at the same time. To see how he has humbled himself before God and how God has exalted him is such a great joy.

Today, because of his leadership, there are nearly 1,500 leaders enrolled in ISOM and are being prepared to be church planters. Every few months that number multiplies as each of them begin teaching another group of leaders. Recently, Ashish just finished Trimester 3 training with our friend Josh’s top leaders from his 15,000 house church network. These leaders have again gone back to their villages to implement T3 teaching to their leaders.

We have also been able to get the ISOM notes translated into the Oriya language so we now have this Bible college curriculum being taught in two languages. The Word of God is going out all over North India and beyond!

PLEASE PRAY...

- That each person who receives ISOM training will be transformed by the word of God, growing in knowledge and bearing much fruit for the Kingdom.
- For our dear friend, Ashish, who is the director of ISOM in North India - that he will have much wisdom to oversee this great work.
- That Josh will have the wisdom and strength to carry on this work causing it to multiply throughout all 15,000 house churches in his network.
- For us as we continue to pray in various locations in Arizona for spiritual awakening and breakthrough.
- As Dan prepares to return to India this summer – for the leading of the Lord as he plans dates and locations to visit, and for all the details and plans to come together quickly.
